POWERLINE

Powerline track

Powerline connector (end cap)

Back Panel

Brackets "Line" Series

Wooden Rail

Light Fixture

Brackets for MEC Rack

Brackets for wooden shelves

Brackets for glass shelves

Inclined brackets

NOTE: Powerline System does not include shelving material, i.e. wood or glass.

The electrified tracks enable the user to configure the wall system without restrictions. Shelves can be moved to any desired position to ensure perfectly even and comfortable lighting. With the plug&play components it is easy to integrate lighting into shelving.

Equipped with a wide range of accessories and various types of shelves and brackets, Powerline is an elegant and practical solution for retail stores and home walk-in closets.
